

Your shopping = big bucks for Juan Cabrillo!

You, your family, and your friends can contribute to Juan Cabrillo simply by shopping.

Please spend a few minutes online to enroll your grocery store Club Cards. Each time you shop, a percentage of your purchase goes to Juan Cabrillo! You can also enroll your credit card(s) at eScrip.com to earn more contributions when you shop at Macy's, Bristol Farms, HOWS Market, etc.

Want to contribute even more? Please consider applying for a Target Red credit card and registering it with the Take Charge of Education program.

Please note:

- You must already be enrolled in the market's club card program before registering your club card number online.
- You MUST re-register your club card numbers EVERY YEAR.
- The PTA will no longer be able to register your club card numbers for you. Please go online and set up an account at the following websites to register your card numbers. The only club you cannot get at the store is Food4Less card. If you need one please provide your child's name, room number and hoe many cards you need. Your card(s) will be sent home. Afterwards, please register the card number at Food4Less's website.
